The “2014 Spring Tar Landing Jam”, a semi-annual event presented by the Beaufort County Traditional Music Association (BCTMA) and Tar Landing Company, LLC, will be held on May 17, 2014 at 304 Tar Landing in Bath. Each “Tar Landing Jam” identifies a local beneficiary to receive donations collected at the show. For this show the obvious choice is the Beaufort County Tornado Disaster Fund.

This family friendly event will begin with a Community Jam at 2pm. Local acoustic musicians are invited to come play and join in the fun.

At 4:30 several musicians or groups will each play a few songs on stage.

Our first featured act begins at 6:00 with the “Near, Far and Away Acoustic Blues Revue” hosted by Lightnin' Wells. Lightnin' will be joined onstage by Hutch & Scuff from the “far” west State of Washington playing guitar and washboard. Also, Shoutin' Red (Felicia Neilsen) from “far away” Sweden will perform, bringing a true international presence to the TLJ.

Local favorites, The Flatland Zingers, will bring some “Old-Time Fun” in the form of Appalachian inspired string band music to the stage beginning at 7:30.

The TLJ wraps up with a performance by Garner folk band, “Both” beginning at 8:30. “Both”, who claims to be the “world's second loudest folk band” has a local connection, Craig Newton, who has a seasonal home on the Pamlico. Both makes an annual pilgrimage to perform at Music in the Streets each summer and performed in the 2011 Summer Concert Series co-sponsored by BCTMA at the Turnage Theater.

Admission for this event will be a donation of “whatever you feel like giving”. Food will be available on site. Come on out and spend an hour or spend the day – and enjoy the music!
