The Flatland Zingers are traditional musicians that enjoy entertaining folks by performing lively acoustic string-band music and having FUN! Based in Washington, NC, the Zingers met through their involvement in the BCTMA (Beaufort County Traditional Music Association), and began playing as a group in 2013. The Flatland Zingers' appearance is old-timey

rural, their sound is Appalachian earthy, and their performances are good-time fun. Band members include Linda Boyer, Rob Cuthrell, and Eric Holmes, along with special guests.

Mike "Lightnin" Wells breathes new life into the vintage tunes of the 1920s and depression era America employing various appropriate stringed instruments in a dynamic style which he has developed in over thirty years of performing experience. Raised in eastern North Carolina, Wells learned to play harmonica as a young child and taught himself to play the guitar as he developed a strong interest in traditional blues and folk music. His many years of public performance began in Chapel Hill, N.C. in the early 1970s. During the following decades he has presented his brand of acoustic blues throughout North Carolina, the United States and Europe.
