

BCTMA Donates String instruments to “Musical Empowerment at ECU” Program.

Washington, NC:

BCTMA is pleased with this effort to introduce young musicians to music and string instruments. “Musical Empowerment at ECU ” is a volunteer program whose goal is to reach students who otherwise would not be able to take private music lessons. All materials are provided at no cost, including instruments. Volunteer music students from ECU operate this program and serve as resource music teachers in elementary, middle and high schools in Pitt County.

The Beaufort County Traditional Music Association is a grass roots non-profit organization that has promoted the performance and enjoyment of traditional music in Eastern NC for over ten years. Thanks to the assistance and oversight of Arts of the Pamlico, the BCTMA has grown into an active group of musicians and supporters dedicated to the nurturing and sharing of their love of traditional music.
