Beaufort County Traditional Music Association

The Beaufort County Traditional Music Association (BCTMA) was conceived in May 2008 as a grassroots effort to promote the performance and enjoyment of traditional music in the Beaufort County community. Thanks to the assistance and oversight of the Beaufort County Arts Council, the BCTMA has grown into an active group of musicians and supporters dedicated to the nurturing and sharing of their love of traditional music. BCTMA serves as a resource to the public for traditional musicians in the area, hosts weekly "jam sessions" for traditional musicians regardless of skill level, and provides educational opportunities for people interested in learning about traditional music.

This recording is a "live jam" and represents the variety of songs and musicians that may show up to play at any weekly "Saturday Morning Jam on the Waterfront." The tracks were all recorded in "one take" and include warm harmonies, brilliant improvisation and cringing mistakes throughout. Although sometimes the songs have some difficulty getting going, they usually come together (eventually) and end right well. What we hope you really hear when you listen to this recording is the FUN that our group has every time we get together to play and sing, and the JOY that the tradition of making music with family and friends can bring to any community - including yours.

All participants on this recording were welcome to sing and play on every song. Here's a list of those who came and played and sang:

Linda Boyer - Guitar, Fiddle
Bob Carr - Guitar
Judy Cartwright - Spoons
J. Alan Casey - Banjo, Kay Bass
